

SPOTS OF LIGHT

TO BE A WOMAN IN THE HOLOCAUST

"Spots of light pressed into this dark matter..."

DAVA KATZ, *The Complete House*, by the author, Tel Aviv, 2013

The Holocaust was an historical event of unparalleled scale and brutality, and the women who lived through it were not passive victims. They were active participants in their own survival, often in the most extraordinary ways. Their stories are a testament to the human spirit's resilience in the face of unimaginable adversity.

level of family functioning despite their grim situation. The identification of women with children, both by the surroundings and by the women themselves, became a motivating force for clinging to life, but also delivered them to extermination together. Women who survived the association campaign and the period of the "Final Solution" for the "Aryan" period. They were not the only women who survived. Many others were murdered in the gas chambers, but their stories are a testament to the human spirit's resilience in the face of unimaginable adversity.
